**IN RE: CATHODE RAY TUBE (CRT)**  
**ANTITRUST LITIGATION**

Master File No. CV-07-5944 SC

MDL No. 1917

**AMENDED [PROPOSED] ORDER**  
**APPOINTING MARTIN QUINN AS**  
**SPECIAL MASTER**

This document relates to:  
  
All Indirect Purchaser Actions

Courtroom: One, 17<sup>th</sup> Floor  
Judge: Honorable Samuel Conti

The Court hereby appoints Martin Quinn of JAMS as Special Master in the Indirect Purchaser Cases and charges him to produce Reports and Recommendations (“R&Rs”) on approval of the pending settlements, the aggregate award of attorneys’ fees and expenses to all plaintiffs’ counsel, and service awards to the named plaintiffs, including objections to these matters, and issue an Order as set forth below:

**I. Scope**

1. Order Applicable to All Indirect Purchaser Cases. This Order shall apply to all Indirect Purchaser Cases currently pending in MDL No. 1917.

2. Appointment of Special Master. Pursuant to Federal Rule of Civil Procedure 53, the Court hereby appoints Martin Quinn as a Special Master to assist the Court in this litigation.

**II. Basis for Appointment**

1. Basis for Appointment. The Special Master is hereby appointed pursuant to Rule 53(a)(1) to perform duties consented to by the parties (Rule 53(a)(1)(A)), and to address other matters that cannot be addressed effectively and timely by an available district judge or magistrate judge of the district (Rule 53(a)(1)(C)).

2. No Grounds for Disqualification. Pursuant to Rule 53(a)(2) and 53(b)(3), the Special Master has filed an affidavit with this Court, stating that he has no relationship to the parties, counsel, or the Court that would require disqualification of a judge under 28 U.S.C. § 455. During the course of these proceedings, the Special Master and the parties shall notify this Court immediately if they become aware of any potential grounds that would require disqualification.

3. Fairness Considerations. Pursuant to Rule 53(a)(3), the Court has considered the fairness of imposing the likely expenses of the Special Master on the parties. The Court believes that the appointment and use of the Special Master will materially advance the litigation, thereby achieving considerable cost-savings to all parties. The Court will protect against unreasonable expenses and delay through regular communication with the Special Master.

1           4.     Proper Notice Given to All Parties. All parties have been given notice of this  
2 appointment and an opportunity to be heard with respect to this appointment.

3 **III.     Special Master's Duties, Authority and Compensation**

4           1.     Diligence. Pursuant to Rule 53(b)(2), the Court hereby directs the Special Master  
5 to proceed with all reasonable diligence in performing his duties in the MDL proceedings.

6           2.     Scope of Special Master's Duties. Pursuant to Rule 53(b)(2)(A), the Special  
7 Master shall assist the Court with the approval of the pending settlements in the Indirect  
8 Purchaser Cases, the aggregate award of attorneys' fees and the reimbursement of expenses to all  
9 plaintiffs' counsel and service awards to the named plaintiffs, including any objections to these  
10 matters, and dealing with any other matters that the Court may direct him to undertake. Lead  
11 Counsel for the Indirect Purchaser Plaintiffs shall allocate the attorneys' fees among plaintiffs'  
12 counsel in the first instance in a manner which Lead Counsel in good faith believes reflects the  
13 contributions of such counsel to the prosecution and settlement of the Action. In the event  
14 plaintiffs' counsel do not agree with said allocation, the matter shall be submitted to the Special  
15 Master to determine a fair and reasonable division of the aggregate award. The Special Master  
16 shall have authority to set the date, time and place for all hearings, to preside over hearings, to  
17 take evidence, to conduct telephonic conferences to resolve disputes arising during depositions,  
18 and to issue orders awarding non-contempt sanctions, as provided by Rules 37 and 45. The  
19 Special Master is authorized to receive and consider information designated as confidential  
20 pursuant to the Protective Order entered in this matter, and may review privileged material *in*  
21 *camera*. The Special Master agrees to be bound by said Protective Order.

22           a.     The Special Master shall assist the Court by preparing reports and issuing  
23 recommendations in the Indirect Purchaser Cases on the subjects of: (1) approval of the pending  
24 settlements, including any objections thereto; (2) the aggregate award of attorneys' fees and  
25 expenses to all plaintiffs' counsel and service awards to named plaintiffs, including any  
26 objections thereto; (3) the reimbursement of the parties' expenses, including any objections  
27 thereto; and (4) in the event plaintiffs' counsel does not agree with the allocation made by Lead  
28

3. Scope of Special Master’s Authority. The Special Master shall have the authority provided in Rule 53(c).

4. Procedure for Motions Submitted to the Special Master. The procedural requirements contained in this Court’s Pretrial Orders shall govern any motion practice before the Special Master, unless he orders otherwise.

5. Ex Parte Communications. Pursuant to Rule 53(b)(2)(B), the Special Master may communicate *ex parte* with the Court at any time. Generally, the Special Master shall not communicate *ex parte* with any party without first providing notice to, and receiving consent from, plaintiffs’ Lead Counsel and counsel for any other interested party.

6. Preservation of Materials and Preparation of Record. Pursuant to Rule 53(b)(2)(c), the Special Master shall maintain orderly files consisting of all documents submitted to him by the parties and of any of his written orders, findings and/or recommendations. Such filing shall fulfill the Special Master’s duty to serve his orders on the parties.

7. Compensation. Pursuant to Rule 53(g), the Special Master shall be compensated at an hourly rate of \$700.00 for his services as Special Master, plus the Administrative Fee charged by JAMS, and shall be reimbursed for any out-of-pocket expenses (e.g. cost of

1 accountants, auditors and clerical assistants, and expenses for telephone conference calls). The  
2 Special Master shall not charge for travel time. The Special Master shall prepare a monthly  
3 invoice for his services, which he shall provide to Lead Counsel for the Indirect Purchaser  
4 Plaintiffs to be paid from the Litigation Fund. In connection with objections and discovery  
5 matters, the parties shall each pay an equal share of the cost.

6 8. Special Master's Reports to Court. Pursuant to Rule 53(e), the Special Master  
7 shall issue orders on motions presented to him which shall be final and not require the Court's  
8 signature, subject to the parties' right to file objections as described below. Further, the Special  
9 Master shall prepare reports and recommendations to the Court on the subjects stated herein. If  
10 the Special Master considers it advisable to make any other report to the Court, he shall do so in

24 Master's order, report and/or recommendation, including any transcripts of proceedings before  
25 the Special Master and any documents submitted by the parties in connection with the Special  
26 Master's order, report and/or recommendation. Failure to provide the record shall constitute

2 review findings of fact made or recommended by the Special Master for clear error. The Court
